### **Science and Faith: An Invitation to Conversation**

Rev Prof David Wilkinson and the Youth Ministry Trust (YMT) warmly invite anyone interested in the conversation between science and faith to an open meeting on **Wednesday, 28th May**, at the **Emmaus Youth Village, 5:30–6:45 pm**.

We want to connect with those involved in science, technology, engineering, healthcare, and education, recognising, as Rev Prof David Wilkinson explains, that: "At ECLAS and YMT, we value the work and vocation of those who work in science, technology, and engineering; we value this as a gift from God and as an opportunity for the mission and ministry of the church. We would like to talk with those who are involved in science at whatever level in university, industry, schools, or the health service about the possibility of doing work in local churches in the diocese."

This is an open invitation to begin a conversation and explore how these gifts can enrich the life and mission of our parishes. All are welcome! For more information, please contact [phillipsalkeld@ymt.org](mailto:phillipsalkeld@ymt.org) or 01207592244
