Safe Families is a Christian charity that came to speak to us last year about just how to help children and families in our community. They have provided us with a lot of information, pamphlets, that can point us in the direction of helping support those who are in need in our community. These are intended for those who particularly suffer from loneliness and isolation. If you would like to help then please take one of the pamphlets.

SPUC: 'This year's petition relates to the two-child benefit cap. Sadly, one of the biggest drivers of abortion in the UK is poverty. Poverty' Petition forms are on the bench at the back of church if you would like to sign. Please leave completed forms on the table and we will forward them on or alternatively go online for more information where you can sign the petition online.
